The screenshot shows the NCA Business (Silver) membership registration page. At the top left is the NCA logo. The main heading is "NCA - Business (Silver)". Below this, there is a request to select a payment frequency and join the community. It specifies that Business (Silver) memberships are \$600 per year or \$50 per month, and that the membership includes one voting member. A note indicates that the currency will appear in euros if the browser settings are set to that region. There is a dropdown menu for "How often would you like to donate?" currently set to "Yearly (every 12 months)". Below that is a section for "Choose a yearly amount" with two buttons: "600 US\$" (highlighted in blue) and "50 US\$".

The screenshot shows a "Welcome to the NCA!" confirmation page. It thanks the user for joining and states that a confirmation email will be sent to the provided account. It also mentions that the user has added their voice to a community of supporters committed to defending and preserving the community. There are social media sharing options for Facebook, Twitter, and Email. Below this is a "Donation Information" section with a table:

| | |
|---------------------|--------------------|
| Amount | 0,00 US\$ One-time |
| Ending | 31/12/2021 |
| Confirmation number | 44444 |

Below the table, it states: "A copy of your receipt will be sent to your email shortly." At the bottom, there is a "Your Comment:" field with the text "Thanks for all you do".

AFTER THAT, WE WILL MANUALLY SEND AN EMAIL TO THE NEW PERSON:

Welcome to the Nosara Civic Association.

Thanks to your contribution, the NCA can continue to:

1. Protect 250 hectares of forest in Nosara.
2. Support the Ostional National Wildlife Refuge, one of the world's most important nesting sites of the Olive Ridley Sea Turtle.
3. Promote a sustainable future for our community.

Based on feedback from our members, the NCA has two types of members: members(non-voting) and voting members. Many of our members joined the NCA because they believe in our mission and support the important work we do. For others, being more directly involved is what they want.

All members of the NCA get the same access to the information we send: newsletters, emails, surveys and are invited to our annual general assembly meeting.

So what is the difference between a member and a voting member? To become a voting member we ask you to commit to attending the Annual General Assembly meeting and vote on matters presented there; members can attend but cannot vote at that meeting. Also we ask that voting members participate in one of our committees or projects during the year. For those who have an interest in possibly joining the board of directors one day, you must be a voting member for a minimum of six months to run for a seat on the board.

Strengthening a broad, diverse, and participatory Association is one of our objectives to support a collective effort for the sustainable development of Nosara. If you are interested, we invite you to apply to become a Voting Member by completing the following form.
